Golf Cart Ride down the Rec Trail on May 25th

- Between the Tama Civic Center and Toledo Heights
- The trail will be closed from 12 to 3 that day.
- Name tags for the volunteers
- HyVee and Fareway have donated water and granola bars
- Everyone take pictures! Make sure the people say it's okay to take pictures.
- We need cart drivers (do you want to decorate?)
- Shuttle drivers
- Safety people will be at the entrances to the trail
- Gift bags

Suggested to do this in the fall again - go around the lake in the fall - the extension that goes across hwy 63 by the Tama lagoons.

Karen and Shelley - Sitting at the admin building and watching students cross the hwy. The most shocking thing is watching kids crossing the highway.

Also convinced the light needs to be at 17th street.

Meeting with elementary boosters on 5/9 to discuss.

Talking about having a table at MS and HS activities.

Denise Fletcher will find out by 5/9 if we got any money from AARP.

Denise also received a letter from Black Hawk Gaming about another Grant opportunity.

Cities should give residents 3 years to replace sidewalks, if they don't then the city will replace and charge them for it over 3 years on their taxes.
